

WHY

As you go through the day you wonder
Why things happen, the way they do
Life is so much harder
From generation, to generation

That is how I know that things aren't goin' easy
That is why I know that things will never change

And WHY am I not laughing
And WHY do I feel this pain
And WHY can't people treat each other like they are the same
And WHY can we not love each other the way we do today
Oh WHY, do things work out this way

Now that things have gone so wrong, I don't know what to do
I don't know what to do, I don't know what is true
Now that you've been gone so long
I don't know why things feel so wrong
Because you've messed-up my way to feel

That is why I know that things aren't goin' easy
That is how I know that things will never change

And WHY am I not laughing
And WHY do I feel this pain
And WHY can't people treat each other like they are the same
And WHY can we not love each other the way we do today
Oh WHY, have things work out this way

WHY do I feel this way
WHY do I feel this way

And WHY.....
And WHY can't people treat each other like they are the same
And WHY do we not love each other the way we did today
Oh WHY, do things work out this way
Oh WHY, do things work out this way
Oh WHY, do things work out this way
